

About children, being children

This Week at Frankston South: 29th – 2nd October-
November

This week at FEL Frankston South we have had a **spooktacular** week celebrating Halloween. From arts and crafts activities, sensory play, dress ups, cooking experiences (Halloween treats), show and tell, building and construction, playdough (Halloween theme-orange with glitter), bug hunts, role play and Acro kids. The children absolutely loved being a part of our busy week and getting into the character of their costumes. So much fun and great to see all the educators getting into the spirit and dressing up with the children.

Reminders:

- Hats are now required for outside play at all times. So please provide one if you haven't already.

First Early Learning hats are available at the office in 6 fantastic colours!

Quote of the week

Upcoming Centre / Community Events:

Tuesday 6th
Melbourne Cup Public holiday- just a friendly reminder that we are closed.

Recipe of the week

Corn relish dip:

½ cup of corn relish

½ cup of philli cheese

300ml of light sour cream

Method:

Place all ingredients into a bowl

Season with salt and pepper

Stir to combine

Staffing News:

- Sarah is back from her holiday, we have all missed her dearly at FEL Frankston.
- Lynda is on A/L Thursday & Friday, Rita will be covering (casual).
- Elisha is on A/L next week- Wan Yee will be covering (casual).
- Zoe is on A/L on Monday- Tia will be covering (casual).

This week in the Lilly Pilly House

It's been a wonderful fun-filled week in the Lilly Pilly House. We enjoyed our sensory play experience with sand, sea creatures and glitter and had fun exploring outdoors in the big yards. Our Lilly Pilly House children look forward to our group time every day where we sing songs and enjoy story time. Our student Bianca shared an art experience with us and we created our own Jack for Halloween.

Have a great weekend.

Kerry and Elisha.

This week in the Acacia House

This week in the Acacia House our children have been spending time in small groups practicing taking turns. They have been sharing different coloured pencils and texta's whilst using the variety of colours, the children were identifying the colours. On Wednesday our children our children made 'ghost toast'. This involved the children using their fingers to sprinkle 100's and 1000's onto the bread and pressing the ghost cookie cutter into the bread.

Have a great weekend. Tanya and Zoe.

This week in the Wattle House

In the Wattle House we had so much fun celebrating Halloween. We got to paint Jack O Latterns, we made orange playdough with gold sparkles, that we then enjoyed playing with and manipulating with our hands. We had so much fun coming dressed up on the day. We each received a treat in our bags that we got to take home and enjoy.

Have a great weekend!

Melany and Amy

This week in the Myrtle House

This week we have continued getting to know our new room and we are loving playing in all our new play spaces and activities. We enjoyed a picnic outdoors, cotton bud painting and practicing counting using our bead frames. Halloween has been a big hit this week and our children were so pleased with their costumes and dress ups along with Halloween themed activities.

Have a great weekend.

Suzie and Nicky

This week in Banksia House

This week in the Banksia room we have been busy with an extra session of Acro kids in which we practiced our tumbles and learnt new skills on the horizontal bar. We have created large hand print banners which will decorate our walls. We all dressed up for Halloween, lots of different costumes and characters, we also cooked "Worm Cup Cakes" that were yum yum.

Can I please remind all parents that you are unable to bring ANY FOOD into the Centre as we have a lot of Allergies and you may put other children at risk, so please leave the FOOD IN THE CAR.

Have a great weekend.

Marrie and Emma.

This week in the Red Gum Kinder House

The Kinder children have been working very hard on their carpentry skills this week. Dave has been doing a bit of building work and kept all the off cuts for us. The children are becoming stronger and much more accurate when using the hammer and nails. If you have any timber off cuts laying around, or if you know where we can source some 'FREEBIES' please let us know. We were also given some fabric paints, so we got our new kinder bags out and decorated them. We can't wait to use our bags again! Our room got really into Halloween this year, every child dressed up and got into character. We made strawberry ghost's with melted white chocolate, which were delicious. We finished our week off with celebrating Marlon's birthday! He requested a 'beach party theme'. Time to get the beach balls out!

Have a fantastic weekend.

Lynda and Krystal.
