

About children, being children

This Week at Frankston South: 11th – 15th March

This week at Frankston South even though it has been a short week we have been very busy with a wide variety of incursions, excursions and activities throughout the centre. On Tuesday our Waratah and Kinder House children enjoyed an Acrokids session. On Wednesday the whole centre enjoyed a Bollywood dance incursion which was a big success and such a delight to see all the children getting involved and expressing themselves through music and movement. Thursday our Kinder House children went on their fortnightly swimming excursion, splash splosh splash! Last but not least, on Friday we all celebrated St Patricks day, with lots of arts and crafts experiences, cooking sessions and green theme day throughout the whole centre.

Reminders:

- We appreciate your patience and support while we are dealing with Telstra. Thank you 😊

Quote of the week:

while we try to teach
our children all about life
they teach us what
life is all about
FIRSTURVILLASNPSE.COM

Upcoming Centre / Community Events:

- Thursday 21st March, Harmony Day.

Recipe of the week:

Pizza muffins:

- 3 English muffins
- 2 cups of ham
- ½ cup pineapple
- 3 cups grated cheese
- 1 cup tomato paste
- 1 tsp crushed garlic
- 1 tsp mixed herbs

Method:

Add garlic and herbs to the tomato paste

Staffing News:

- Tabitha is on A/L on Monday, Chantelle will be covering.
- Melany is on A/L on Monday, Caitlin will be covering.

This week in the Lilly Pilly House

What a busy and amazing week we've had in Lilly Pilly House. Our new lead educator has started, and Jules has been getting to know all the things we love to do. We've been reading our new books during group time and singing many songs- twinkle, twinkle little star seems to be the favourite, learning the actions too. As St Patricks Day is this Sunday, we've also enjoyed some green painting using our special brushes. We have enjoyed many cuddles and are looking forward to what next week will bring.

Have a happy and safe long weekend!

Jules and Elisha

This week in the Acacia House

This week in the Acacia House we've been enjoying the new set up of the room with dressing and feeding the baby dolls, to seeing what we can find in the doll house. On Wednesday we dressed up and danced to Bollywood music which we loved, and Friday we painted everything green for Saint Patricks Day.

We hope everyone has a safe and happy weekend 😊

Tanya and Zoe.

This week in the Wattle House

In the Wattle House this week we have enjoyed exploring space. We made our own solar system, we discussed the planets by name, how to get to the moon in, we made a rocket and pretended to go to the moon. Its been so much fun exploring space and we have so much more to do. We also took a brief look at St Patricks Day as we have some families with Irish background and had lots of fun exploring a meaningful tradition to them with the children.

Have a fantastic weekend.

Suzie, Nicky and Pretti

This week in the Myrtle House

Although a short week, we've managed to pack it full of fun, exploring and play! Our craft experience has been very popular, the children have combined sensory play and fine motor skill development as they finger painted with shaving cream. To extend on this we added drops of food colouring for the children to mix in and discover what new colours we created. We then took a very effective print of their design, We added doctors sets to our dramatic play, which has resulted in lots of group play and check ups! Our Bollywood music and dance incursion was fantastic as the children and educators dressed up in costumes and danced. To extend on our incursion we've added dress ups and music to our room. We finished the week celebrating St Patrick's day.

Have a great weekend Kerry and Mel 😊

This week in the Waratah House

This week there has been so much going on, we ended last week with a big cook up and afternoon tea party for Lynda, our Kinder teacher who was leaving us. Then we had a long weekend which was wonderful and then we are back with our Acro Kids session on Tuesday, where practiced our skills and used new equipment. A "Bollywood Masti" Incursion on Wednesday with Karuna Sharma, where we celebrated the Festive of Colour and Harmony day with traditional dress ups, music and dancing. It was amazing, we all got dressed up Staff included and moved to the beat. Rice was added to our sensory trolley, lots of pouring, scooping and fun.

Mitchell has joined our group from Myrtle House, we also celebrated St Patricks day on Friday with GREEN milk and muffins, yum yum.

Have a wonderful weekend.

Marrie, Emma and Tegan.

This week in the Kinder House

This week we welcome back Krystal from her two-week holiday, the children enjoyed hearing about her camping experience and the wildlife she saw in Tocumwal.

The start of the week we changed all the room around setting up a new home for our next topic Cultural Diversity. We set up the world map and talked about the countries we already know and what different animals are in different parts of the world.

On Wednesday we celebrated Holi (festival of colours), we had a lady come in for an incursion and teach us Bollywood dancing. The children had a ball, we all got to dress up and dance to some fun Indian music.

This week for swimming when we got on the bus to and from our lesson, we are learning to do up our own seat belts. Listen and let us hear it go "click".

We spent our Friday enjoying a musical dance disco where we get our musical instruments out and dance to different types of music. The children love requesting their favourite songs to boogie too.

Next week we are going to make some sushi and have a Chinese lesson from Mei.

Have a lovely weekend 😊

Krystal and Tabitha.
